## Mod. 1728 SILLÓN / ARMCHAIR

Familia de butaca, sillón y sofá ligero. Este diseño ha sido resuelto formalmente mediante un solo plano que recorre el perímetro de este producto, formando el respaldo que emerge en forma de sinuosa curva, desde los laterales de la pieza.

Family of chair, armchair, and light sofa. This design has been solved with a single plane that goes along the entire perimeter of this product, generating the backrest which arises with a sinuous curve from the sides of the piece.
