

# Praying Thankful Prayers with Bubbles.

You Will Need:  
Some bubble liquid  
and something to  
blow the bubbles with.

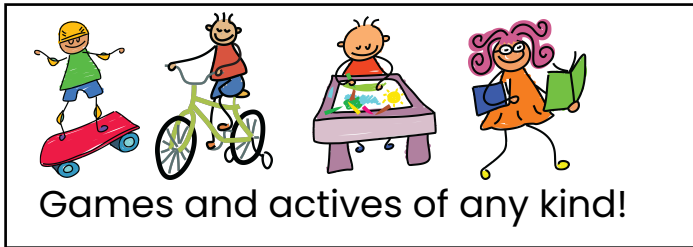

**From the Bible:** "Never stop praying. Give thanks no matter what happens."  
1 Thessalonians 5: 17 & 18 (NIRV)

**Ponder:** Have you ever clapped because you liked what someone had done and you were thankful?

Maybe, in 2020 you stepped outside your door to clap all the people who helped us through the Covid virus – because you were thankful.

There are many things to be thankful for!

## Ponder Some More:

What do you want to thank God for? Have a chat with your grown-up about it.

## Pray:

We are going to thank God by bursting the bubbles as we clap.

Ask someone to blow some bubbles for you – enough for everyone taking part!

Clap your hands over the bubbles to burst them.

As you do this, shout, sign or whisper what you want to say thank you for.
