Show Rules & Conditions (these apply to ALL OUR EVENTS).

Please read this page before entering, whether entering online via Equoevents, by post or by PM. By entering any APHS event you are agreeing to abide by these rules and conditions. Entering online or electronically indicates acceptance of ALL show and venue rules.

- Foreign Breeds – any breed that is non-indigenous to GB, Northern Ireland & Eire (e.g. Irish horses are NOT eligible, unless they are partbreds crossed with a Foreign Breed). Warmbloods ARE eligible to take part in foreign breed classes.
- Foreign Breed classes open to pure & partbred (min. 25%) unless schedule says otherwise.
- The APHS-Foreign Breeds Society National Finals Championships – Foreign Breed of the Year Championships – are held as a separate show in October. Horses only need to qualify once to take part in the Foreign Breeds Horse of the Year classes – for other classes at any APHS event NO qualification is needed. Only ONE card is needed per horse to take part in these nominated classes, not one card per class. The top 3 in all qualifying Foreign Breed classes and champion & reserve in breed specific championships qualify.
- All foreign breed classes at all our events will be judged under APHS Foreign Breed Show Rules available on our website.
- The judge will not ride in any class. Individual shows are NOT required in the Foreign Breed classes at any of our events.
- All shows are pre-entries only and classes capped, although additional classes may be entered by catalogued horses on the day if the class is not full.
- Stallions and colts welcome but should be bitted and under control and to be shown by adults. N.B. Stock horses may be shown in a stock halter with a properly secured chain; Iberian horses in a serrata (with a throat lash); Arabs & Miniatures in a show halter etc. – including stallions – BUT they must be under control. The judge, steward, or any show official may excuse a horse from the ring if they deem the handler does not have full control, or if they feel they are of danger to other exhibitors, or they can request that the horse is bitted for subsequent classes.
- Refunds are not given without a doctors or vets certificate – please note any PayPal, bank or Stripe fees will be deducted from refunds. In the case of US cancelling (for any reason), refunds will be given (less admin fees as described above) or the option of transferring entries to a future APHS event.
- All, or parts of our events, are outdoors. Exhibitors therefore accept that the weather, climate and temperature, which are out of our control, are an integral part of your experience and may impact on your visit. While we will make every effort to adhere to the printed schedule, we reserve the right to stop and start the show as necessary. If a show is cancelled (by us, the Organisers) because of the weather, you will be entitled to exchange your class ticket(s) for another APHS event (spaces permitting).
- Veteran classes - all our veteran classes are qualifiers for our APHS Veteran Finale held at APHS London Counties Show – top 3 qualify (cards may be passed down the line if these horses have already qualified, no lower than 6th place). Foreign Breed Veteran classes are ALSO qualifiers for our Foreign Breed Veteran Championship held at the APHS Foreign Breeds National Finals.
- All our Youth Ridden classes are qualifiers for our Youth Ridden Championships, held at APHS London Counties – Top 3 qualify (cards may be passed down the line, no lower than 6th place, if the rider has already qualified).
- Our shows are usually qualifiers for TGCA, BSPA, Sunshine Tour, Equifest, VHS – please see our Facebook Group (APHS London Counties) and the show specific schedule or our omnibus schedule for an up to date list for each event.
- OPEN classes are open to ANY breed of horse/pony (not restricted to Foreign Breeds).
- Timings: allow approx. 15 mins a class for Walk/Trot classes, 15/20 mins a class for Foreign Breed classes and 30 mins a class for Open Breed classes. Please keep an eye on your rings as obviously classes with fewer entries will run through a lot quicker than those that are full. It is YOUR responsibility to be in time for your class. If you MISS a class, we will not issue a refund. (This applies to all our events, but especially to our multi-ring events at London Counties Show). At our multi-ring events, all rings run concurrently and so some classes will clash - you should bear this in mind when making your entries.
- Ridden classes - horses or ponies in ridden classes must be at least 4 years of age.
- Ponies/Horses being led in the walk/trot and youth classes (where allowed) MUST be led off the noseband. Lead line welcome in any Walk/Trot or Concours classes, or where the schedule states. If in doubt, please get in contact and ask.
- Training tack can comprise of martingales or Market Harborough (used on a snaffle rein), flash/grackle noseband (used with a snaffle bit).
- Home Produced - kept at home or on DIY/Part-Livery yard and not to have been in training with a professional (except for being sent away to be backed/broken to harness) for the past 12 months or produced/shown by a professional in the past 12 months.
- AOTS - amateur owned, trained and shown. Owners/exhibitors not to make any earnings from the horse training or production industry (does not include working as a groom / stable hand UNLESS part of your job is to show said horses). Taking part in clinics / having lessons does NOT exclude you from this division.
- NOVICE - not to have come 1st or 2nd at County Show / Breed Championship Show (or Equivalent), or competed and placed at RIHS or HOYS during the past 2 showing years (e.g. during 2021 & 2022 for the 2023 showing season).
- ANY BREED - open to any breed of horse or pony, pure, part or unregistered/unknown breeding, provided horse meets the criteria of the class.
- Whiskers - we recommend that horses / ponies sensory whiskers are NOT removed for cosmetic reasons and no horse or pony will be penalised for having them.
- Horses should be turned out correct for their breed (with full mane & tail if correct), in all classes.

- Current Safety Hats MUST be always worn when mounted. Junior exhibitors (under 18) MUST wear safety hats in ALL ridden classes, and Youth Handlers (under 14) must wear a safety hat in all in hand classes (we strongly advise that Junior handlers, under 18, wear a safety hat in ALL classes, including in hand). Adult riders should ensure that the Secretary is in possession of a Disclaimer Form for any non-safety conforming headgear that they choose to wear and be aware that it is not the APHS show policy for riders to wear non-conforming safety hats. (Disclaimer Forms can be found within our single show or omnibus schedules). Please note, only adult ridden riders may sign a hat disclaimer form (it cannot be signed by a Parent/Guardian on behalf of a junior exhibitor under 18 years of age). Exhibitors may wear approved safety hats (& jackets) in any class without penalty.
- No claim can be entertained for anything that may happen to competitors, onlookers, their property, servants, or horses in connection with or arising out of the show. It shall be deemed a condition of entry that each entrant shall agree to indemnify the Promoters against any legal action arising out of any incident and to agree to abide by the rules and regulations of the show and the Showground.
- All competitors must have adequate insurance to cover any incident that may be caused by them or their animals.
- Although every effort will be made to adhere to the printed schedule, the Organisers reserve the right to combine, cancel or change the running order of classes on the day or implement a change of judges if the needs arise and to refuse entry (to competitors, spectators, or their guests) without specifying the reason.
- It is the policy of this show NOT to forward trophies (where presented) by post, so please check at the Secretary's Desk before going home!
- All competitors must complete and sign an entry form (including contact address) and if needed a Track & Trace form.
- DATA COLLECTION: By entering this event you are agreeing for your details to be held on file (to be used to contact you for return of trophies and details of next year's event and similar events we may think be of interest to you). In addition, you are agreeing for the Organisers to use any photos posted by yourself on our Facebook Group or Page to promote the current and future events, and any photo taken by the official show photographers to be used for the same. Please note, results will be published online, sent to breed societies and magazines. Photos and videos shared on our Facebook group/page may be used for the same purpose. IF YOU WISH TO OPT OUT of your details being kept – please tick the box on the entry form.
